

## WINE ROOMS WINE CLASSES

### Natural wines & artisan cheese - £40

A few years back, the 'natural' label could be used to excuse a whole host of faults, but the movement has largely outgrown its hippy roots in favour of a focus on quality.

Higher end wineries now embrace low intervention, low additive winemaking and the belief that better fruit begets better wine in the bottle (simple really!).

Paired with amazing cheeses from Paris' master fromager Androuet, join us for a journey through deliciousness pairing natural wines and artisan cheeses.

### Austria vs Greece - £30

Two countries with apparently not a lot in common: ski resorts vs island beaches, Mozart vs Demis Roussos...

Except that they both spawn some delicious wines that haven't yet made it onto everybody's radar screen, let alone their wine cellar!

In this class we will take a closer look at those exciting, understated wine countries and hopefully show you a few hidden gems to impress your friends!
